ASSOCIATION FORMED TO BOOST "LAKES-TO-OCEAN" HIGHWAY

Improved Road To Link National Pike with Other Arteries of Trade

TO MAKE SURVEY OF ROUTE

About 100 visitors from Western Pennsylvania towns attended a noonday luncheon at East Liverpool, Ohio, at which time a permanent organization to boost the "Lakes-to-Ocean" highway was formed. Of this new organization Frank Swaney of East Liverpool, O., was named as chairman, and H. R. Campbell, secretary of the Chamber of Commerce of Washington, was named secretary.

The principal address of the meeting was made by Mr. Campbell, who gave a history of the beginning of road improvement, stating that this great work was started by George Washington in the days before the Revolution. Washington later advocated a road from the Atlantic ocean to the western wilderness This was what Jefferson, Gallatin and Clay carried into effect and which afterwards became the National Pike, that greatest of all arteries of travel in the early days. He then told of the many historic sites and associations along the old pike, mentioning Braddock's trail, Fort Necessity, and other points of equal interest

Mr. Campbell stated that it was the wish of the new organization to introduce that great highway, which has recently been re-improved, to northern Ohio by means of the "Lakes-to-Ocean" highway. He mentioned how the great war traffic had brought home to the people the importance of these highways. It brought out the fact that they should be named, marked and prepared in times of peace for interstate commerce so that they would be ready in time of war for military purposes.

The executive committee of the new organizatiion will make a survey of the proposed route with a view of ascertaining the number of miles of unimproved road to be constructed, the possibilities of securing funds for this purpose and will report at a subsequent meeting.

Among the names suggested for the new highway are "The White House Trail, "The Washington Highway," and "Lake-to-Ocean Highway."

MANY MEASLE CASES IN MONONGAHELA

Reports say that about twenty-five cases of measles prevail in the first ward of Monongahela, and that health officials are keeping a strict quarantine.

GUN BATTLE RESULTS IN TWO DEATHS

In a shooting affray that took place at the home of Finton Stamffer, 139 Third street, Monessen, at 8:45 o'clock last night, W. J. Smith was shot through the heart and instantly killed, while Stamffer was mortally wounded and died this morning at 8:45 in the Memorial hospital at Monongahela. Both parties are colored.

It appears that Smith went to the home of Stamffer last night and tried to induce Mrs. Stamffer to go out with him. Stamffer, who was at home, raised objections, and the men got into a quarrel, which resulted in both pulling guns and beginning a fusillade of shots Each man fired three times, a bullet from Stamffer's gun penetrating Smith's heart,which killed him instantly. Smith, however, managed to give Stamffer a mortal wound, from which he died this morning.

When the police reached the Stamffer home and found Stamffer lying on the floor, they asked, who shot him. Stamffer replied that the "fellow in the next room; I got him." The police then went into the next room, where they found Smith dead on the floor.

RESIGNS FROM LOCAL EXAMINING BOARD

C. W. Hall of Chharleroi, a member of the examining board for mine foremen and fire bosses for the first bituminous coal district of Pennsylvania, has tendered his resignation to the court, and it has been accepted. Mr. Hall finds it impossible to serve longer on the board on account of his present duties. The court has appointed Lancelot Linsley of Monongahela, a superintendent for the Pittsburg Coal company, to fill the vacancy. The other members of the board are Alexander McCanch inspector, and Israel Morris of Monongahela, a miner.

Many Attend High School Conference at Monongahela

A representative meeting of school superintendents, high school principals and high school teachers, was held at the Central school building, Monongahela, last night, at which time Dr. William Draper Lewis, deputy state superintendent of puplic instruction, made an address on the new high school curriculum, which it is hoped to have ready for use in the schools of the state at the opening of school next fall.

Representatives were present from Brownsville, the California Normal, the California high school, Monessen Charleroi, Donora, Clairton, Elizabeth and Glassport, as well as the teachers from the Monongahela high school.

Dr. Lewis stated it is the purpose of the department to arrange high school courses so that they may be of greatest service, not only to the pupils, but to the community at large. In the proposed legislation, three and one-half units of English, three and one-half units of history and social science, one year of mathematics, which may be selected from Algebra commercial arithmetic or composite mathematics, and one year of general science, will form the basis of the high school course. This program will leave students free to select modern languages and such other mathematics as may be necessary to make up local requirements.

Dr. Lewis said the program of the department had not taken definite shape as yet, and that suggestions received from the conferences now being held will be incorporated into the plans when they are finally presented for action by the legislature.

COMPLIMENTARY BANQUET BY ELKS

A banquet was tendered at the Elks' Club last night, to those who about a year ago took part in the minstrel show, and likewise to all participants in the billiard tournament which took place at the club house last fall. About one hundred guests were present, and the evening was enjoyably spent by all participants. William Gaut was toastmaster, and a number of addresses were made by various members,interspersed by vocal and instrumental musical selections. The band from the "County Fair" was present, and enlivened the occasion with a number of favorite selections

On Wednesday the grand jury found a true bill against Ausburn Gray for the murder of Augustus Smith, which took place in the plate glass yard last October. It is expected that Gray will be arraigned in court on Monday for trial. Charleroi officers were called as witnesses before the grand jury.

Walter Gaither of Harrisburg,who was private secretary for Governor Tener while the latter occupied the executive mansion at Harrisburg,was a Charleroi visitor on Thursday, and called on a number of friends. Mr. Gaither is permanently located in Harrisburg, where he is engaged in the bond business.

LOCALS WILL PLAY ELIZABETH TEAM

The Elizabeth high school basket ball team will be the attraction at the local gymnasium, this evening, at eight o'clock. The boys from down the river are capable performers, and at this time, are going well; consequently a good game may be expected. Charleroi needs the game, and the team is determined to place it on the right side of the ledger.

BROWNSVILLE HOTEL OPENS DINING ROOM

Indicating a sign of the times, the Monongahela House at Brownsville on Monday last, opened its dining room to the public, after being closed for more than a year. The dining room will be in charge of J. A. Millioken, formerly chef at the local Elks' club.

INDUSTRIAL SITUATION BRIGHTENS ALONG THE UP-RIVER DISTRICTS

More Mines Resume and Others Have Gone on Full-time Schedule

FREIGHT SITUATION IMPROVED

Reports from up-river districts indicate that the industrial situation there is beginning to brighten again. This is made evident by the resumption of a number of the coal and coke plants which have been closed down for the past several weeks. One of the principal plants to resume was the Allen No. 1, owned by the Pittsburg Steel company, which is now working about 50 per cent normal. The product of this mine, as well as the coke oven, is used at the Monessen plant of the steel company.

The Pittsburg Coal company, which owns a number of mines along the valley, and which has only been operating about two days per week, is now working five days.

The Pike mine located at Brownsville, and owned by the Hillman Coal and Coke company, was scheduled to resume operations on Thursday after being idle for several days. It is expected that this mine will be working at full capacity within a few days, giving employment to several hundred men.

The Bridgeport coal plant of the H. C. Frick Coke company, has been working full capacity all through the readjustment period.

Another feature which is helping the situation is the improvement of the freight service. Merchandise delivered in Pittsburg up until 5 o'clock in the evening is now being delivered at valley points the next morning. Freight shipments from points in New England is now being delivered in about five days, instead of five weeks, as during the war period. According to railroad officials the freight situation is rapidly reaching the pre-war condition.

ANOTHER PLANT HAS RESUMED OPERATIONS

Fourteen hundred men returned to work in the steel mills at Canton, O., on Monday morning, when four plants were re-opened. These mills had been idle several weeks.

CONTEMPLATE NO CUT IN WAGES

Existing prices and wage scales of the United States Steel Corporation are to continue, according to a statement made by Judge Elbert Gary, chairman of the board of directors, on Wednesday, at a conference with newspapermen. Some of the independent companies, he had understood, had made offers to sell their products below current quotations, but he flatly asserted the United States Steel Corporation has no intention at this time of changing its prices. The subject of reducing wage rates among its 250,000 employes has not been up for consideration even, he added.

Chairman Gary was optimistic regarding the general outlook for business, but asserted existing governmental taxes and failure of the government to pay what it owes the railroads are the principal factors retarding the return to more satisfactory conditions.

BILL TO TAX COAL WILL BE FOUGHT

A bitter fight is expected when the administration bill placing a tax on coal is presented to the legislature at Harrisburg next week. This, the first revenue bill to come from Governor Sproul, will probably be presented Monday night.

The fill will provide a 2 per cent tax on the value of coal per ton as it comes from the mines Twenty per cent of this revenue will be returned to the county in which the coal is mined, 20 per cent will go into a reparation fund to take care of any damages arising from mine caveins and other accidents, and 60 per cent to the state. The state will collect and distribute the tax

PROMINENT COAL CENTER MAN DEAD

Charles Bradford, aged 72 years, a well known resident of Coal Centre, died at his home in that borough Wednesday morning at 1:30 o'clock. He had been a resident of Coal Centre all his life, and had been engaged in the coal business for the past 25 years. He had been in ill health for the past two years.

He was a member of the Methodist Episcopal church and of Monongahela Valley Lodge No. 461, F. & A. M. He is survived by his wife and four children. Funeral services will be held on Saturday at 1:30 p. m.

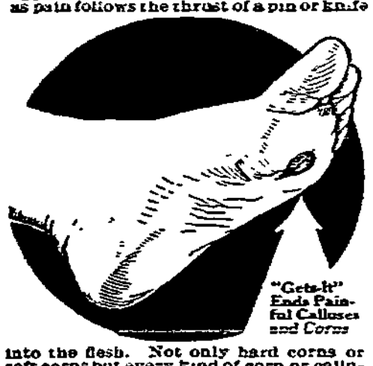
"Gets-It" The Corn and Callus Peeler

This Corn Remover is Guaranteed.

Relief from corn suffering follows the application of "Gets-It" almost as quickly as pain follows the thrust of a pin or knife into the flesh. Not only hard corns or soft corns but every kind of corn or callus surrenders to "Gets-It" and peels right off. It takes just a few seconds to stop the pain with two or three drops. Go to your druggist today. Get a bottle of "Gets-It." Costs but a trifle everywhere. Your money back if not satisfied. Mfd. by E. Lawrence & Co., Chicago.



Sold in Charleroi and recommended as the world's best corn remedy by F. J. John. and Carrolls Drug Store.

Try MEDICATED VAPORS

For Colds and Coughs that are Deep-seated and Hard to get rid of

The deep-seated cold or cough means that the inflammation has penetrated dangerously far down into the lungs where ordinary treatments are ineffective.

Medicinal vapors should be inhaled nightly to supplement the external treatment. Before retiring, apply Krew-Pina in the nostrils and rub it well over the chest and throat. Then, getting into bed, draw the bed clothes up over the nose so as to form a funnel between the chest and nostrils, and inhale the medicinal vapors the heat of the body causes Krew-Pina to give off. Renew these treatments until the inflammation has been expelled.

Keep a jar of Krew-Pina in the house. It is an ointment composed entirely of simple remedies such as Oil of Pine and other powerful volatile oils—absolutely harmless. At the same time, it is a scientifically compounded, powerful agent for the relief of many household sicknesses and hurts including bronchitis, tonsilitis, croup, sores, foot trouble, lame back, neuralgia, bruises and stone bruises, burns, cuts, etc. 30c and 60c jars—at your druggist's.

Free Sample OF Krew-Pina
WILL BE SENT TO ANY ADDRESS ON REQUEST.

CROUP

The quick gasping cough of croup is something that every mother dreads. It comes in the dead of night when medical assistance is hard to obtain. That is why Glessco has been a household article in millions of homes for forty years. It gives immediate relief. In fact Glessco is the only preparation which can give relief from croup in fifteen minutes without vomiting.

Careful mothers everywhere depend on Glessco. It does not upset the delicate child's stomach, and carries the offending substances right out of the system.

All druggists sell Glessco in 50c bottles. It is worth ten times as much in time of need.

WOMEN GIVE OUT

Housework is hard enough when healthy. Every Charleroi woman who is having backache, blue and nervous spells, dizzy headaches and kidney or bladder troubles, should be glad to heed this Charleroi woman's experience:

Mrs. W. H. Hendershot, 814 Followfield Ave., says: "I think too much hard work and being on my feet a good deal caused my kidney trouble some time ago. My back was very weak and I often became dizzy and black specks appeared before my eyes. My head seemed to never stop aching and I was so nervous it seemed I could fly. My kidneys acted irregularly, too. Doan's Kidney Pills improved my condition wonderfully, flushing out my kidneys and strengthening my back. I can't say too much for Doan's."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hendershot had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

INDIAN CITIZENSHIP

..Seventy thousand American Indians are already citizens, of which number 26,314 are voters, and the House Indian Affairs committee is now preparing to report a bill conferring citizenship on most of the others. Recent estimates fix the number of our Indians at 334,000 in round numbers, the males showing a slight majority over the females. At least 100,000 speak English and nearly 200,000 wear citizen's clothing. The Indians are rich in proportion to their numbers. Their incomes in 1919 reached a total of more than $53,000,000, of which amount more than $11,000,000 came from crops, the rest coming from land and timber sales and miscellaneous activities.

Aside from the fact that they fought with honor and gallantry in the World War, there are good reasons why a large proportion of the Indians should be granted citizenship. They are the aboriginal Americans. This is their country in even a more complete sense than it is the country of the descendants of the early American colonists. They are not hyphenates and have no axe to grind in the interests of any European mother country. Therefore they would not be a disturbing factor in politics. such partisanship for the welfare of Indians as they might exhibit being natural and likely to do no harm. Though the grant of the ballot might be properly made contingent upon an educational or property qualification. there is no good reason why the proposed recognition of the aborignes should be longer withheld.

Resolutions of Condolence

At a regular meeting of Branch 782 L. C. B. A., held Wednesday February 2, 1921, the following resolutions were adopted on the death of Sister Johanna Mahoney, who died Friday January 21st, 1921:

Whereas. Almight God, in his supreme wisdom has seen fit to call to His heavenly kindgdom, our beloved sister and

Whereas. we bow in humble sub mission to God's holy will and pray that He will comfort the loved ones left to mourn the loss.

Resolved, that we, the members of Branch 782, extend to the family of the deceased sister, our sincere sympathy in this, their great sorrow and pray that our dear Lord may lighten the burden and throw sunshine in the path which now seems so dark.

A copy of these resolutions to be sent to the bereaved family, spread upon the records of our Branch and published in the Charleroi Mail. Our charter to be draped and a Memorial Mass said for the repose of her soul.

The dividends of many of the great German industries indicate a high degree of prosperity. which is not surprising. The canny Germans were quick to stop fighting as soon as their devastating war threatened to be carried upon their own soil.

The great increase in juvenile crime has been attributed to "the glorification of crooks in the movies", and such a "glorification" could hardly fail to become a contributing cause.

Advance showing of Printzess styles for Spring

This Spring!
You should inspect Printzess Styles before deciding

A note of individuality is struck in this suit by slashing the back into loose hanging panels. The delicate tracery of braiding and rows of tiny buttons "dress it up" for any occasion. Then there is a most fascinating "tie" in front with beaded ends. But this is only one of many delightful models.

THE very leading tendencies of the mode are portrayed in our new line of PRINTZESS Coats and Suits for spring. They are developed in fabrics guaranteed to be all wool by actual test. They are guaranteed to hold their shaps for at least two seasons. The most careful tailoring makes this possible. The linings will last the same period or be replaced without charge.

They are produced in the most modern of workshops by skilled workmen They are sensibly priced as low, in fact, as ordinary garments which are not guaranteed.

We believe you will appreciate their unusual values. So we urge you to visit our Coat and Suit Department while we have a full range of styles, colorings and sizes.

THE TRIALS OF A HOUSEWIFE

How They Have Been Endured and How Overcome by Lydia E. Pinkham's Vegetable Compound

Experience of a Providence Woman

Providence, R. I.—"I took Lydia E. Pinkham's Vegetable Compound for a female trouble and backache. It began just after my baby was born, and I did the best I could about getting my work done, but I had awful bearing-down pains so I could not stand on my feet. I read in the papers about Lydia E. Pinkham's Vegetable Compound and the good it was doing other women, and I have got dandy results from it and will always recommend it. You can use these facts as a testimonial if you wish."—Mrs. HERBERT L. CASSEN, 18 Meni Court, Providence, R. I.

Ohio woman for three years could hardly keep about and do her housework she was so ill. Made well by Lydia E. Pinkham's Vegetable Compound:

Fayette, O.—"For about three years I was very nervous and had backache, sideache, dragging-down pains, could not sleep at night, and had no appetite. At times I could hardly do my housework. I got medicine from the doctor but it did not help me. I saw Lydia E. Pinkham's Vegetable Compound advertised in a newspaper and took it with good results, and am now able to do my housework. I recommend your medicine to my friends and you may publish my testimonial."—Mrs. CHESTER A. BALL, R. 15, Fayette, Ohio.

An Illinois woman relates her experience:

Bloomington, Ill.—"I was never very strong and female trouble kept me so weak I had no interest in my housework. I had such a backache I could not cook a meal or sweep a room without raging with pain. Rubbing my back with alcohol sometimes eased the pain for a few hours, but did not stop it. I heard of Lydia E. Pinkham's Vegetable Compound, and six bottles of it have made me as strong and healthy as any woman; and I give my thanks to it for my health."—Mrs. J. A. MCQUITTY, 610 W. Walnut St., Bloomington, Ill.

The conditions described by Mrs. Cassen, Mrs. Ball, and Mrs. McQuitty will appeal to many women who struggle on with their daily tasks in just such conditions—in fact, it is said that the tragedy in the lives of some women is almost beyond belief. Day in and day out they slave in their homes for their families—and beside the daily routine of housework, often make clothes for themselves and for their children, or work in their gardens, all the while suffering from those awful bearing-down pains, backache, headaches, nervousness, the blues, and troubles which sap the very foundation of life until there comes a time when nature gives out and an operation seems inevitable. If such women would only profit by the experience of these three women, and remember that Lydia E. Pinkham's Vegetable Compound is the natural restorative for such conditions it may save them years of suffering and unhappiness.

There is hardly a neighborhood in any town or hamlet in the United States wherein some woman does not reside who has been restored to health by this famous medicine. Therefore ask your neighbor, and you will find in a great many cases that at some time or other she, too, has been benefited by taking it, and will recommend it to you. For more than forty years this old-fashioned root and herb medicine hasbeen restoring suffering women to health and strength.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

THREE MEN.

ONE—goes around incurring small debts here and there. Doesn't know how he will meet them; only knows they mount up alarmingly fast.

ANOTHER—doesn't owe anybody anything yet, but he's running on a dangerously narrow margin, and wearing himself out trying to keep up with the game.

ANOTHER—saves a little each week from his earnings and puts it in the bank. He's finding a lot that's worth while in life.

These represent three characteristic types. Do you find yourself among them

Sheriff's Sale.

By virtue of a writ of Fieri Facias Number 50 February Term, 1921 issued out of the Court of Common Pleas of Washington County, and to me directed, on which inquisition and exemption are waived, there will be exposed at Public Sale at the Sheriff's Sales Room of Washington County Court House, Washington, Washington County, Pa. Saturday the 5th day of March, 1921 at 11 o'clock A. M., of said day, the following described Real Estate, viz:—

All those certain lots of ground situate in Fallowfield Township, Washington County, Pennsylvania, known and described as Lots Nos. 101, 102, 103, 104, 105 and 106 of the Lock View Terrace Plan, which is of record in Washington County, Pennsylvania, Plan Book No. 4, Page 158, and which six lots are bounded and described as follows:

On the North by lands of John Wilson Heirs, on the East by Cherry Alley, on the South by Dawson Avenue and on the West by Sixth Street and Lots Nos. 145 and 146 of said Plan.

Taken in execution as the property of Frank Vrostyak, at the suit of George W. Dawson.

Sheriff's Office, Washington, Penna.
January 31st, 1921.

WAGON MINE SUSPENSION CUTS OFF MUCH REVENUE

The Elizabeth Herald says that few people in that community realize that the suspension of wagon mines in that vicinity cut off so much revenue in the former wages received by miners, and tonnage price paid to the operators and truck owners. The payroll for these purposes at the tipple of the Peters Creek Coal company, West Elizabeth, alone amounted to $5,000 per month.

To "tear down everything English in America"—including language and the bases of our law and literature—would present a programme to stagger even the Bolsheviki.

ASSOCIATED CHARITIES BUSY PAST TWO MONTHS

According to figures submitted by the Associated Charities, officials of that organization have distributed clothing and groceries to the amount of $625.00 since the 13th of December, as well as $181.90 in cash. During the two months just ended there have been numerous requests for charity, but during the past few days the demands have fallen off to a great extent. An improvement in the industrial conditions would remove practically all demands for relief, is the opinion of those in charge of the organization.
